

# Community Owned Renewables

a presentation by Gavin Ashley

*“Local Ownership opportunities with Renewable Energy  
- how to find them and make them happen”*

Gavin has a lead role at the Moreland Energy Foundation in community energy reduction and renewables strategic work. Gavin is currently working on the feasibility of a 99kW solar system on the Seymour Sports and Aquatic Centre with the Mitchell Shire and local representatives.

Local chef Jonathan Murphy will be preparing two delicious soups and a vegetarian main using predominantly regional seasonal produce. Please join us for our...
